FACTS ABOUT PRECINCT THREE

Precinct Three is the western most Precinct in Harris County and is home to over one million residents. It includes some of the most rural agricultural parts of the County and some of the most densely urban parts.

The Precinct is over 453 square miles in size with 306 square miles in the unincorporated areas of Harris County and 147 square miles in the incorporated areas.

The Commissioner and his staff maintain:

- 1,956.41 miles of roads and 5.52 miles of bridges.
- 66 parks covering 15,341 acres that include 85.5 miles of hike and bike trails and five Dog Parks.
- Eight community centers with over 700,000 visitors annually.
- Two Senior Education Centers.
- Vehicles and power equipment within the Precinct’s Fleet Services Division valued at over $25 million.
