

**Steve Radack, Commissioner**

Harris County Precinct 3

Dear Friends:

Welcome to our revamped Precinct Three Website.

Our Website Team has added some new features. One is on our “Parks” page under “All Parks.” It enables you to search Precinct Three Parks for a specific amenity. It’s as easy as “clicking” on the amenity icon on the left-hand side of the page under “Filter.” The Parks will populate showing you which ones include your search.

The “Community Calendars” are now called “Activity Calendars.” They contain the same great information on dates and times for Community Center and Senior Education Center activities.

We hope you enjoy the website’s new look and features. Have fun getting to know the new site, and let us know what you think.
