

Kleb Woods Earth Day Activities

Saturday, April 13, 2019

10 AM - 2 PM

Come early for a bird walk from 9 to 10 AM!

DIY Earth-Friendly Activities:

Grow seedlings in egg cartons.

Bring: cardboard egg carton

Make a compost bin using wiggler worms.

Bring: 16 oz. plastic salad tub, newspaper
*wiggler worms provided, supplies limited

Make eco-friendly cleaning supplies.

Bring: used spray bottles, mason jars, old t-shirts or rags

Create t-shirt tote bags.

Bring: old t-shirts

Learn about rainwater catchment systems.

Native Plant Walk

Join Botanists Charles Peterson and Paul Roling on a 30-minute walk to learn about our native plants. Walks start from the porch at 10 AM, 11 AM, and 12 PM.

Kleb Farm House Tours

Visit this historic home for a glimpse at what life was like before today's modern conveniences.

Nature Talk: Wiggler Worms

Learn all about wiggler worms with naturalist Megan Ahlgren. Then go use your knowledge to make a vermicompost bin! These 15-minute talks will start at 10:40 AM, 11:40 AM, and 12:40 PM.

Kleb Woods Nature Center
20303 Draper Rd, Tomball, TX, 77377
