

Harris County Precinct Three Senior Education Program Eligibility and Application Information Requirements

Harris County Precinct Three Commissioner Steve Radack's Senior Education Centers provide computer and non-computer based lifelong learning for seniors in Harris County. Participation in SEC courses is restricted by federal grant requirements and county policy.

Participants must meet the following requirements:

- Must reside in Harris County, Texas
- Must be age 55 or older
- Must sign a participant agreement that includes a release of liability and acceptance of precinct and county rules concerning the operation of the SEC.

Application Information

To provide quicker access to our wide range of courses in the Precinct Three Senior Education Program, seniors can now walk into any Precinct Three Senior Education Center and register at their convenience.

Eligible senior citizens must apply in-person between 7:30 a.m. and 3 p.m. Monday through Friday at either senior education center location.

Registrants must be Harris County residents who are 55 and older and bring a valid Texas identification. Consistent with the County Attorney's Office guidelines, eligible applicants are assigned to classes on a random number basis.

We will contact you via letter or phone call when you are scheduled for a course or to offer you placement in a class. Such notices will include the dates and times for the courses.

Precinct Three reserves the right to cancel or reschedule any class due to exigent circumstances or availability of facilities, instructors, or staff.
